

SEEKING PARTICIPANTS FOR A STUDY ON BRAIN FUNCTION

The Department of Psychiatry and Behavioral Sciences is looking for participants for a study on the effects of trauma on brain function.

PARTICIPANTS

- Must be between the ages of 16 and 21
- May or may not have a history of traumatic event exposure
- May be asked to undergo interviews; questionnaires; tests of memory, attention, thinking speed, and problem-solving; a brain scan; and saliva collection

PARTICIPANTS WILL RECEIVE

- Compensation for their time up to \$200, for 2-6 hours of time over three days.

PARTICIPANTS MAY RECEIVE

- A brain scan at no cost
