

TRAVEL COUNSELING CHARGES AGREEMENT

PATIENT NAME

UT EID

Patients are responsible to pay the \$45 travel health counseling fee. That fee is not billed to health insurance plans.

Charges for some vaccines and services, such as lab and tuberculosis tests, may not be covered under your health insurance plan.

In addition to the travel health counseling fee, Patients are responsible to pay any charges incurred that their insurance plan does not cover or requires, such as co-pays, co-insurance, and deductibles.

UHS will post the amount you owe to your What I Owe account.

Please notify your nurse if you have any questions or concerns.

The UHS charges policy can be reviewed at: healthyhorns.utexas.edu/charges.html

I have read and understand the Travel Counseling Charges Agreement.
